

## Cooking equivalents

### Homemade brownies

3.5 c flour  
 1 ¼ c sugar  
 ¾ c brown sugar  
 4 T cocoa powder  
 ¾ cup oil  
 1 egg  
 1/8 tsp salt  
 ¼ tsp baking powder

Mix all ingredients and place in a greased 8 inch square pan. Makes 9 square treats. Bake at 350 for 20 minutes.

### Macaroni and cheese

1- 32 oz pkg of macaroni  
 1-16 ounce pkg of cheddar cheese  
 2 cups nacho cheese  
 4 cups milk  
 ½ tsp salt

Cook the macaroni according to package directions and then add all to a baking pan. Bake at 350 until melted and warm. Serves 16 people ½ cup each.

### Potato soup for two

3 large baking potatoes, peeled and cubed  
 ½ onion chopped  
 2 strips bacon, cooked and crumbled  
 2 cups chicken broth  
 1 cup milk  
 1 cup sour cream

Cook the potatoes, onion, and bacon in the chicken broth. When potatoes are tender add the milk and sour cream. Simmer on low for 10 minutes. Serve and top with shredded cheeses, bacon bits, ranch, and green onions.

In the above recipes answer the following questions:

1. I need to make a big 9x13 inch pan of brownies for the party tomorrow. I am going to have to triple the recipe. Fill in the amounts I am going to have to need.  
 \_\_\_\_\_ flour \_\_\_\_\_ sugar \_\_\_\_\_ brown sugar \_\_\_\_\_ cocoa powder \_\_\_\_\_ salt \_\_\_\_\_ baking powder \_\_\_\_\_ oil \_\_\_\_\_ egg
2. I want to make the potato soup but my family is huge! We have 10 people. How much am I going to need of each ingredient?  
 \_\_\_\_\_ potatoes \_\_\_\_\_ onions \_\_\_\_\_ bacon \_\_\_\_\_ chicken broth \_\_\_\_\_ milk \_\_\_\_\_ sour cream
3. I want to make the macaroni and cheese for my mom and me for this afternoon. We will only eat about 2 cups of prepared macaroni and cheese. What are the amounts I will need:  
 \_\_\_\_\_ macaroni \_\_\_\_\_ cheddar cheese \_\_\_\_\_ nacho cheese \_\_\_\_\_ milk \_\_\_\_\_ salt
4. A friend called and needs me to make brownies for the church party. I have a huge bag of flour which contains 18 cups of flour. How many brownies not batches can I make from that bag of flour? \_\_\_\_\_
5. I have 2 cups of shredded cheese in the refrigerator. Do I have enough to make the full recipe above? \_\_\_\_\_
6. I need to make the macaroni and cheese recipe times 5. I have a gallon of milk in the refrigerator is it enough? \_\_\_\_\_
7. I bought a container of sour cream and it contains 16 ounces. I need to triple my batch of soup. Will I have enough to make it according to the recipe? \_\_\_\_\_
8. I need to make some brownies but have misplaced my tablespoon measuring device. I only have measuring cups. Which cup is equal to 4 Tablespoons? \_\_\_\_\_
9. I have a 10 pound bag of potatoes and it contains about 16-18 potatoes. How much of the soup can I make? I want to make enough to freeze for another day? \_\_\_\_\_
10. I am becoming more health conscious and want to substitute canned applesauce for the oil in the brownie recipe. I heard it makes a moist brownie. I need to double the recipe to make enough for my family. The can of applesauce says that there is ½ cup for a serving and there are 3 servings. How many cans will I need for my recipe? \_\_\_\_\_
11. Oh no I am out of brown sugar! I am making the brownie recipe. How much total sugar do I need if I combine both the sugar amounts together? \_\_\_\_\_
12. I am making the macaroni and cheese as a main dish for my family. I need to make enough for 4 people to have 2 cups each. Do I have to double, triple, or leave the same amounts of the recipe? \_\_\_\_\_
