

How many good manners are habits in your life?

I say "Good Morning" to my parents and teacher everyday	
I say "Please" whenever I ask for something	
I say "Thank You" when something is given to me	
I try and think of kind, pleasant things to say to others	
I do not try to listen in when others are talking privately	
I sit quietly in church and family worship	
I try to help others have fun when I play a game	
I shake hands politely when I am introduced to an adult	
I say "I'm sorry" if I have done something that hurts someone.	
I let others choose first when treats are passed around	
I answer whenever someone calls me or speaks to me	
I come quickly when I am called	
I do not interrupt someone who is talking. I wait for my turn	
I say "Pardon?" instead of "Huh?" when I fail to hear	
I do not walk between two people who are talking to each other	
I cover my mouth when I sneeze or cough	
I never tape or pull on someone else to get their attention	
I pick up my tools or supplies when I am finished using them	
I wait patiently for my turn when I am standing in line.	
I hand sharp objects to others by giving them the handle	
I thank my mother or hostess when I have eaten a meal	
I ask permission before I borrow or use other's things	
I keep quiet when others are sleeping, studying or talking on the phone	
I admire things that others have done or made, when they show them to me	
I do not open others drawers, purses, or other private property
