

Instructions for Making the Mini-Book:

- Print the mini-book **single-sided** on 8.5" x 11" paper.
- Each sheet will have **four mini-pages** printed on it.
- After printing, **cut the page** once vertically and once horizontally to create four smaller pages.
- Stack the mini-pages in number order (Page 1 to Page 8).
- **Staple along the left side** to create a real mini-book.
- Encourage your child to illustrate each page based on the simple sentence.
- Younger children can draw simple pictures; older children might add color, backgrounds, or even extra characters!
