

# Intro for Early Fluency Readers: Level 2

Level 2 Readers are designed to gently stretch your child's early reading skills by combining sight words, simple phonics patterns, and longer phrases.

These books still use familiar words but introduce slightly longer sentences, more variety in subjects, and early compound ideas.

Encourage your child to reread each mini-book several times for fluency and confidence.

The goal is joyful, natural reading — building step-by-step toward true independence!

## Included in this series:

- We Can Go Fast!
- Where Is It?
- My Day at Home
- Big Jobs to Do!
- We Like the Farm

## Instructions for Making the Mini-Book:

- Print the mini-book **single-sided** on 8.5" x 11" paper.
- Each sheet will have **four mini-pages** printed on it.
- After printing, **cut the page** once vertically and once horizontally to create four smaller pages.
- Stack the mini-pages in number order (Page 1 to Page 8).
- **Staple along the left side** to create a real mini-book.

We can run to the tree.
