

Early Fluency Readers: Level 3

Level 3 Readers continue to build strong reading habits by offering slightly longer sentences, richer sentence structure, and greater word variety.

These mini-books still use familiar sight words but introduce early story patterns and more real-life language.

Encourage your child to read aloud with expression, reread for fluency, and enjoy the progress they are making.

Celebrate effort and steady growth — every page read is a step closer to confident, joyful reading!

Included in This Series:

- Fun at the Park
- The Big Red Barn
- A Day to Play
- Where Can We Go?
- My Little Dog

Instructions for Making the Mini-Book:

- Print the mini-book **single-sided** on 8.5" x 11" paper.
- Each sheet will have **four mini-pages** printed on it.
- After printing, **cut the page** once vertically and once horizontally to create four smaller pages.
- Stack the mini-pages in number order (Page 1 to Page 8).
- **Staple along the left side** to create a real mini-book.

We go to the park.
