Narrative Transcript (Great for Portfolio Submissions)

This reads like a high school résumé with stories or descriptions of what the student actually did.

Example Entry:

English (4.0 credits)

Studied classic and modern literature through reading and discussion. Wrote personal essays, devotionals, and research projects. Published content via blogging and YouTube scripts. Focus on grammar, clarity, and expressive voice.

Math (3.0 credits)

Completed consumer math, kitchen conversions, budgeting, and real-world problem solving. Used spreadsheets, calculated grocery savings, and applied geometry during home projects.

Science (3.0 credits)

Focused on life science and environmental concepts through nutrition tracking, food preservation, biology documentaries, and natural remedies. Projects included garden planning and anatomy apps.

Social Studies (3.0 credits)

Explored U.S. and world history through books, audio dramas, and interactive resources. Participated in civic discussions, followed elections, and studied Christian citizenship.

Electives (5.0 credits)

- **Home Economics:** Meal prep, sewing, cleaning systems
- **Digital Media:** Filming/editing videos
- **Entrepreneurship:** Small business ideas and product launches
- **Faith Studies:** Bible study, church leadership, mentoring

Total Credits: 18.0

Graduation Date: June 2025
